Attachment A

LIST AND SPECIFICATIONS FOR BASE MAPS OF SELECTED USSR CITIES

Specifications:

The base plan should show accurately all the streets without names of the particular city, plus trolley lines, railroad lines and stations, major natural features such as rivers and lakes, and all parks in the city. Word designations other than the city identification are not desired. The direction of north should be indicated. The scale should be as large as possible providing the finished product is not unwieldy, but in any case no smaller than 1 to 25,000. Unclassified versions are desired, although "Confidential" is preferred to "Secret". The quality of the paper should be such that the maps can be overmarked by pen, standard or colored pencil, or crayon.

Priorities:

1. Stalinabad, Tadzhik SSR
2. Riga, Latvian SSR
3. Sukhumi, Georgian SSR
4. Gorki (east of Moscow) RSFSR
